Q: Additional comments

- 1 Larissa is always there to answer questions and is a great help in trying to explain things that may be unclear.
- 2 Larissa is an amazing TA!
- 3 Very interesting and helpful information. I really enjoyed this class.
- 4 Thank you for all of your knowledge and helping me through this course!
- 5 Thanks for a great semester
- 6 I think it would be more beneficial to have individuals write a one page extension and application of what they learned per week as opposed to 2 pages of mostly summary.
- 7 I enjoyed all of Larissa's lectures! Her lectures were always well organized and easy to follow. I also am so impressed that she knew everyone's names!
- 8 Always very helpful! I will miss not having you as a TA in the fall!
- 9 Really enjoyed your lectures throughout the semester! You followed up information with small activities which increased my interest and attention to the lecture!

- 10 Larissa goes out of her way to get to know students and she was great in ensuring that we fully understood the material

- 11 Larissa was a GREAT TA. She helped a lot in my understanding of the material and explained things at a simpler level so anyone could understand. She is a great communicator and helped me a lot in this course!

- 12 kinda confusing at times in instruction

- 13 always very helpful and wanted students to understand content.

- 14 Larissa is wonderful. She is always so patient with us students and has a lot to share during the class due to her experience working as an SLP in a hospital. She taught two of our classes as well and they were very organized and taught clearly. Larissa is going to be an amazing future professor.

- 15 Larissa, as usual, did a wonderful job. I was pleased to see her take more of an active role teaching this course than she has been given in the past as a TA (for example, giving her own lectures, clarifying things during Dr. Saletta's lectures, etc.) because she is more than capable of assuming the role of lead teacher. I know she'll make a great professor....or whatever it is she ultimately wants to become. Thanks Larissa!

- 16 Larissa is going to be an amazing instructor someday. She really does whatever to help facilitate learning of students. She explains concepts very well and is always willing to do more or look into concepts further for students when they have questions. Larissa has been one of the best TAs that I have had at Iowa.

- 17 You were of GREAT help, Larissa! Always answered my emails very quickly and never hesitated to answer my silly questions. AND all done with a positive attitude!

- 18 Kind, approachable instructor. Thank you for helping manage Dr. Saletta's expectations for the class and for helping guide her through her first year of teaching. You are an invaluable part of our class, and I'm always happy to have you as my TA.

- 19 LOVE LARISSA! She is so knowledgeable and is always sharing important information with our class. She continues to help me learn and always answers my questions when asked.

- 20 Larissa did an awesome job. I always felt comfortable asking her questions or to re-explain directions
