Q: Additional comments

- 1 Larissa was always prompt with grading and feedback. She clearly told us what was expected of us, but sometimes it seemed obvious that she was grading from a rubric because she was looking for specific buzz words in our answers.
- 2 Larissa is a rock star and a fantastic instructor. I always look forward to her comments and insights on the material. She answers questions concisely, and comprehensively. I feel like I can ask her anything and I will get a complete answer, or that she and I will work together and problem solve through it - something she is also very good at.

Keep up the great work, Larissa!
